March 12, 2002

Dear Sir/Madam:

I am writing to invite you to participate in an upcoming stakeholder workgroup meeting to discuss the Air Resources Board's (ARB) evaluation of the current Dioxins Airborne Toxic Control Measure (ATCM) for Medical Waste Incinerators. Under new State Law (the Children's Environmental Health Protection Act) the ARB is required to evaluate the ATCM to ensure that it protects public health, particularly infants and children.

The time and location of the meeting are as follows:

Date: April 9, 2002  
Time: 10:00 a.m. to 12:00 p.m.  
Location: California Environmental Protection Agency  
1001 I Street (10<sup>th</sup> & I)  
Conference Room 230, Second Floor  
Sacramento, California 95814

At the meeting we will present an overview of the current regulation and discuss our plans for evaluating the ATCM. Suggestions for improving or clarifying the current Medical Waste Incinerator ATCM are welcome.

We look forward to meeting and working with you during this evaluation. If you would like to participate or if you have any questions regarding the meeting, please call Ms. Michelle Komlenic of my staff at (916) 322-3926 or e-mail her at [mkomleni@arb.ca.gov](mailto:mkomleni@arb.ca.gov).

This facility is accessible to persons with disabilities. If accommodations are needed, please contact Ms. Linda Keifer at (916) 323-4327 by April 2, 2002. Persons with

*The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.*
